Secretary

Kurtis Carter (or Ordinary Member)

I have really enjoyed many aspects of being a temporary committee member of ESCAN (OGAE Australia). I have been able to build strong relationships with members in the committee and ordinary members. I hope to continue working with all members to create a fun and exciting experience for all.

Treasurer

John Tzimas (or Ordinary Member)

I have been the Treasurer of Escfan for over 2½ years now and really enjoy the work i do in relation to the accounts but also the role of membership co-ordination. I have always tried to stay positive in this group and think i can contribute towards a harmonious transition to the next committee. We have done so much good work but need to ensure that our legal responsibilities and all the admin work are completed also. With the right team and the continued support of our members we can achieve everything we set our sights on and be one of the best Eurovision fan groups.

Ordinary Members

Andrew Crossman

I enjoyed my time on committee last year, having successfully organised events in the ACT and Sydney, whilst building relationships and contacts with the European Commission and Embassies in Canberra. I feel I work well in a team, am honest, yet reasonably diplomatic. I want to see ESCFAN become more of a success and would be happy to serve for another year.
